### **Rising above the Earth...**

Based on hymns

God is Mind: the generous creative, enabling impetus;  
the ennobling, enriching, beautifying, empowering, protecting,  
producing, healing, freeing, enlightening, expanding, and harmonizing presence.

 \*1 Erik Battaglia, piano - Lucio Gallo, baritone - The Lieder Sound Archive - Strauss

---

*Be Thou, O God, exalted high;  
 And as Thy Glory, the all-harmonizing Spirit -  
 Principle, Love, Truth, Mind, Soul, and Life  
 - fills the sky,  
 So let it be on earth displayed,  
 For Thou art here and now conveyed (to one-another).*

---

*Beloved  
 We are the guests of God*

---

*In heavenly Love abiding,  
 No change our heart shall fear;  
 For safe is such confiding,  
 As nothing changes here.  
 The storm may roar without us,  
 Our heart may low be laid;  
 But God is round about us,  
 How can we be dismayed?*

*Wherever He may guide us,  
 No want shall turn us back;  
 Our Shepherd is beside us,  
 So, nothing can we lack.  
 His wisdom ever waketh,  
 His sight is never dim;  
 He knows the way He taketh,  
 And we will walk with Him.*

*Green pastures are before us,*

*Which yet we have not seen;  
Bright skies will soon be o'er us,  
Where darkest clouds have been.*

*Our hope we cannot measure,  
Our path in life is free;  
Our Father has our treasure,  
And He does walk with 'we!'*

*Our God is Love, unchanging Love,  
How could we ask for more?  
Our prayer for Love's increase is vain;  
It's infinite as before.  
Ask not the Lord with breath of praise  
For more than we accept;  
The open fount is free to all,  
God's promises are kept.*

*Our God is Mind, the perfect Mind,  
Intelligence divine;  
Shall mortal man ask Him to change  
His infinite design?  
Our heart that yearns for righteousness,  
With longing unalloyed,  
Is pure desire that is a prayer  
That ne'er returneth void.*

*O loving Father, well we know  
That words alone are vain,  
That those who seek Thy will to do,  
The true communion gain.  
Then may our deeds, in Love's desire  
With grace in intimacy express,  
That we may know how Love divine  
Forever waits to bless.*

*O Jesus, our dear Exemplar,  
Thy works, now understood,  
Reveal their full effulgence  
In Love's sweet brotherhood.*

*Today Christ's precious Science  
Thy healing power makes plain:  
With joy may all obey thee  
And cast out sin and pain.*

*The Christ, eternal manhood,  
As God's own Son beloved,  
A tender ever-presence  
Within each heart is proved.  
O God, our Father-Mother,  
Thy name we see expressed  
By man, who in Thy Science  
Is perfect, holy, blessed.*

*O Science, God-sent message  
To tired humanity,  
Thou art Love's revelation  
Of Truth that makes man free.  
Thy kingdom, God, within us  
Shows forth Love's sweet control:  
Thus God's idea, man, rejoices,  
Celebrating the reign of Soul.*

*Dear Lord and Father of us all,  
Forgive our foolish ways;  
Reclothe us in our rightful mind;  
In purer lives Thy service find,  
In deeper reverence, praise.*

*In simple trust like theirs who heard,  
Beside the Syrian sea,  
The gracious calling of the Lord,  
Let us, like them, without a word  
Rise up and follow thee.*

*Breathe through the pulses of desire  
Thy coolness and Thy balm;  
Let sense be dumb, let flesh retire;  
Speak through the earthquake, wind and fire,  
O still small voice of calm.*

*Drop Thy still dews of quietness,  
Till all our strivings cease;  
Take from us now the strain and stress,  
And let our ordered lives express  
The beauty of Thy peace.*

*The King of Love our Shepherd is,  
Whose goodness faileth never;  
We nothing lack, for we are His  
And He is 'I or Us' forever.*

*Where streams of living water flow  
Our ransomed soul He leadeth,  
And where the verdant pastures grow,  
With food celestial feedeth.*

*Perverse and foolish oft we strayed,  
But yet in Love He sought us,  
And on His shoulder gently laid,  
And home, rejoicing, brought us.*

*And so through all the length of days  
Love's goodness faileth never;  
Good Shepherd, may I sing Thy praise  
Within Thy house forever.*

*Our God is Love, unchanging Love,  
How could we ask for more?  
Our prayer for Love's increase is vain;  
It's infinite now as before.  
Ask not the Lord with breath of praise  
For more than we accept;  
The open fount is free to all,  
God's promises are kept.*

*Our God is Mind, the perfect Mind,  
Intelligence divine;  
Shall mortal man ask Him to change  
His infinite design?*

*The heart that yearns for righteousness,  
With longing unalloyed,  
Is pure desire that is a prayer  
That ne'er returneth void.*

*O loving Father, well we know  
That words alone are vain,  
That those who seek Thy will to do,  
The true communion gain.  
Then may our deeds, our love's desire  
For growth in grace express,  
That we may know how Love divine  
Forever waits to bless.  
Forever waits to bless.*

Truth infinite, the giver of incorporeal bread;  
Life's kingdom is Spirit, unbounded in loving;  
Not temptation, lack, pain, isolation - freedom IS.*

Oh Grace - loving unfamished;  
Living is gracious - Love ever present;  
No disease, death, indifference - Spirit is Soul.*

Love holds no debts, we loose our debtors;  
Loving on earth, the rich manifest of heaven;  
Principle is Love: power and glory - Us all-divine.*

Love, reflected in loving;  
Heaven expressed, Love is supreme;  
All power IS - Life, Truth, Love - the infinite One .*
